

## FREE introductory workshop on Environmental Management for Small Businesses

### ***Does your business face these challenges?***

- *Clients imposing stronger environmental obligations*
- *Confusion over ever-changing Environmental Laws*
  - *Tenders requiring ISO 14001*
  - *Rising energy costs*

### **At the end of the workshop, you will be able to:**

- Write an Environmental Policy
- Keep up to date with Environmental Legislation
- Understand the Environmental issues facing small businesses
- Appreciate what ISO 14001 is all about, and why there's been a 28% increase in its uptake

**Milton Park • Tuesday 15<sup>th</sup> February 2011 • 10 to 12:30**
